Modern Dictionary of Electronics - Free

Modern Dictionary of Electronics - Free

A dictionary in PDF format would lose its utility as you have to scroll the entire file to find a single word. Instead I would recommend Wordweb dictionary. It is a compact dictionary which is light in memory and available for both PC as well as android devices.

Is there a downloadable PDF of any English dictionary (full)?

This popular dictionary, formerly published as the Penguin Dictionary of Electronics, has been extensively revised and updated, providing more than 5,000 clear, concise, and jargon-free A-Z entries on key terms, theories, and practices in the areas of electronics and electrical science.

A Dictionary of Electronics and Electrical Engineering - Andrew

Today, the Oxford English Dictionary is the accepted authority on the evolution of the English language over the last millennium. It is an unsurpassed guide to the meaning, history, and pronunciation of over 600,000

words, both present and past. It traces the usage of words through 2.5 million quotations from a wide range of international English language sources across the English-speaking world, from classic literature and specialist periodicals to film scripts and cookery books. Entries ...
