This post is a compilation of our most viewed notes on World History, which we think our readers should not miss. Readers can download the each of the notes as PDF for free using the "print-pdf"™ option.

World History Notes Which You Shouldn't Miss! - Clear IAS

History is the study of the human past as it is described in the written documents left by human beings. The past, with all its decisions completed, its participants dead and its history told, is what the general public perceives as the immutable bedrock on which we historians and archaeologists stand.
