OWNER MANUAL RADIO RCD 300 PDF - Amazon S3

The self-study programme shows the design and function of new developments. The contents will not be updated. For current testing, adjustment and repair instructions, refer to the relevant service literature. Radio broadcasts are not just for entertainment. They are an important source of information in vehicles, in particular, that provide traffic news in addition to music and general information. New products are constantly required in the area of radio receivers in order to meet current ...

Radio RCD 300 Note. t The part number for the radio unit can be found on a sticker on the radio unit housing. t If the radio unit is renewed, it is very important that the anti-theft coding is activated â†' Operating Manual. The new code number should be given to the customer. t If the anti-theft code is not known it can be requested via the established systems. The identification number of the radio is required for the request. It is located on a sticker on the side of the radio unit. The ...
