To date, health care industry has not fully grasped the potential benefits to be gained from big data analytics. While the constantly growing body of academic research on big data analytics is mostly technology oriented, a better understanding of the strategic implications of big data is urgently needed.

The common law—so named because it was "common" to all the king's courts across England—originated in the practices of the courts of the English kings in the centuries following the Norman Conquest in 1066. The British Empire spread the English legal system to its historical colonies, many of which retain the common law system today.

The Amish generally see little value for themselves in abstract subjects taught in many high schools and institutions of higher learning. Though they recognize that they and the world as a whole need to services of the doctors, bankers, and other professionals colleges and universities produce, they do not see a need within their own culture for such learning, one reason that Amish do not attend high school.

## **Why do Amish only go to school until 8th grade?**

The ACT test is a curriculum-based education and career planning tool for high school students that assesses the mastery of college readiness standards
