

vibrations waves a p pdf

Assignments â€¢ General advice: â€œ In general, we donâ€™t care if you can get the right answer or not. You need to explain why it is correct. â€œ Explain using words and algebra you arrive at a solution.

Physics 42200 Waves & Oscillations - Purdue University

The M.I.T. Introductory Physics Series is the result of a program of careful study, planning, and development that began in 1960. The Education Research Center at the Massachusetts Institute of Technology (formerly the Science Teaching Center) was established to study the process of instruction, aids thereto, and the learning process itself, with special reference to science teaching at the university level.
